

Clear Lake Trowel and Trellis Garden Club

Clear Lake Trowel & Trellis Garden Club (CLTTGC) is a member of Mendo-Lake District Garden Clubs, California Garden Clubs Inc. (CGCI) and the National Garden Clubs Inc. (NGCI). We were founded on September 21, 1955, by five women who wished to create and promote interest in amateur gardening in Lake County.

THYME WITH PRESIDENT GINNY

The Garden Tour was a great success and the profits will help the community in many ways. Thanks to ALL who worked so hard and participated to make this happen!

It was great to learn that the club has a slate of officers for the new year. I sincerely wish them the best of luck and a prosperous garden club year.

A WORTHWHILE YEAR

What constitutes a worthwhile year?

Must every single day be one

that's extra pleasant

as it passes on its way?

Must every cloud drift right on by?

Must every care be light

and every little hope or plan

work out exactly right?

Oh no--a year can still be fine,

though troubles take their turn.

For after all, what really counts,

is that we live and learn...

And when we've done our level best

as each month will appear

why, then we've got a right to say:

WE'VE HAD A WORTHWHILE YEAR!

Per Facebook: **Sharon Thorne and Don are retiring to Santa Cruz** to be closer to her kids. Sharon was a long time CLTTGC member, Past President, Mendo Lake District Director. She started the North Lake Garden Club that met in the evening (sadly they had to fold). Also, she started our flower arranging group. Many of our garden club special event meetings were held at Don & Sharon's beautiful home garden in Nice.

I still have checks coming in mail from Ukiah Garden Club so this number will change.

I would say JOB WELL DONE! Nora

LAKE KABATIN REDBUD ARRANGERS:

Shirley E, Joyce P, Barbara S and Nancy B responded to **Leanne Harvey** invite to make flower arrangements to be displayed at the first graduation of 13 graduates at Marymount California University.

Thank you Leanne, and Clear Lake Trowel and Trellis Garden Club arrangers!

Your flowers were beautiful and were a highlight of our events on campus this week. I heard so many comments about the flowers and their presence just made people feel good.

I appreciate you taking your time, and I appreciate your generosity in sharing them with our campus for this very special occasion!

With great appreciation,

*Michelle Scully
Executive Director
Lakeside Campus
Marymount California University*

WOW!

Leanne writes: We ended up using your gorgeous arrangements for both a fund raiser for Friends of Marymount California University - Lakeside Campus on Tuesday and for the Wednesday first ever Graduation Ceremony of students receiving their BAS in Lake County.

They were absolutely gorgeous, and I heard many compliments about the creativity and the variety.

Thank you from me personally and from all the team at MCU- Lakeside. The arrangements were truly appreciated and made the Castle/Campus look spectacular. I should have some pictures or a video feed of the event to share soon or LakeConews.com was there so it could be on their site.

CGCI Life Member and a Clear Lake Trowel and Trellis member since 1976: Gerald Shaul left this world on May 29th, 2016.

It was just one year ago that he spent so many hours getting his yard ready for our first Garden Tour. He and Josephine's yard was a hit of-course. We were privilege to walk through his peaceful native plant garden and view his creative art designs.

***Jerry,
you enriched our lives and
we will miss you.***

I lost a special friend this week. When I first met Jerry, he was gruff and sort of intimidating. As I worked on various garden club projects with him, and Jo too, he became a friend I could count on, drop by for a visit, and just enjoy a conversation that I always learned something from him.

While President of the garden club, any project there was, he was right there helping out - Hartley, Millberry Park, programs on native plants.

Something special and dear to my heart - as outgoing President he carved a plaque with a gavel and presented it to me (he wrote on back, made from black walnut grown in Lake County). As a woodcarver and whittler, I appreciate the time he spent making that for me.

Linda Pyers asked me to look for photos and maybe write something for our newsletter. There are so many photos we had a difficult time picking one.

I can hear him saying "Well, Claire . . ." as he started to give me a suggestion or some advice. I'm smiling thinking of all those memories. Claire G
